## 'Snow Maiden' to Be Sung for League of Women Voters

Benefit Performance Is Arranged for Welfare Work of the Organization.

WOMEN of society and clubs in the city, Westchester county and Long Island are taking a great interest in the benefit performance of "Snow Maiden" to be given at the Metropolitan Opera House Monday afternoon, March 27, under the auspices of the New York State League of Women Voters.

Mrs. Frank A. Vandenberg, who is chairman of the benefit, announces that a brisk sale of tickets for seats and boxes is going on and that the funds obtained will be used to further the educational, legislative and child welfare work of the league.

Under the direction of Mrs. Franklin D. Roosevelt the members of the organization are making an intensive study of State legislation, are supporting bills and opposing those, sending their representatives to appear at legislative hearings to fight valiantly for the measure they hope to see passed.

Various chairmen of standing committees in the league also are interested in legislation, notably Mrs. James Lees Laidlaw, who, as chairman of the committee on food supply and demand, pays especial attention to all market and food bills and keeps her auxiliary chairmen throughout the State alive to the legislative situation.
